Sharing the unchanging love of Jesus in a changing world.

### Interesting Information From the 1907 Chamberlain Sanitarium and Hospital

There are separate offices and treatment rooms for men and women, with gentlemen nurses for the men and lady nurses for the women. Illustrations are shown...and the special electric room for the treatment of constipation, female disorders and Finsen and solar light treatments.

The patients' dining room is well lighted, artistically decorated and is a pleasant place to partake of the special Sanitarium dietary which is the result of scientific research and is one of the curative measures for the relief of the sick...

Dame fashion has deformed many women and is the most prolific cause of female diseases. A scientific, comfortable and becoming method of

dress has been devised and many patients avail themselves of the benefits of the Dress Making Department.

The private wards are especially fitted for those desiring such rooms. The private rooms for the medical cases are neatly and comfortably furnished. Every room has a private telephone; a large number have hot and cold water.

Special attention is given to affections of the eye, ear, nose and throat. Eye glasses are guaranteed to fit. Hay fever is quickly relieved by the modern method of treatment, and other diseases of the nose, throat or ear received medical or surgical attention necessary for their cure.

The consultation office is used for special examinations, consultations, etc. The Pathological laboratory is in charge of an expert Pathologist. Analysis of the blood, urine, stomach, fluid, sputum, feces, tumors or abnormal growths makes diagnosis certain and the proper treatment possible for each patient.

Scientifically administered hydiatic procedures, not the crude heroic routine baths given in so many institutions, accomplish wonders in chronic disorders. Our patients never complain of being too weak to take treatments for they are prescribed with reference to the patient's condition and are given with care and precision.

**School Begins Soon**

10 days and counting. Sunday, August 19, the halls of DAA will once again be filled with laughter as students return for the beginning of school. Teachers and staff are excited to welcome them back and to meet new students who will be joining the family this year.

Faculty have been spending this week at the NAD teacher's convention refreshing their skills and networking with other teachers. They will all be back on campus next week to do final preparation for the beginning of the school year. The Student Association officers will be arriving a few days early for leadership training and to assist with final preparation for registration on August 19.

The first few weeks of school will be filled with fun activities along with classes. Students and staff will head to Northern Lights Camp on Wednesday, August 22 for camp week. Everyone looks forward to this time spent in God's outdoor classroom.

Seniors will have the opportunity to travel to Union College for senior-preview days September 13 – 16. Experiencing what college is like, meeting teachers, and attending some classes will assist them as they begin planning for college.

September 22 is a special Sabbath as students and faculty travel to various churches to participate in worship. Known as Endowment Sabbath, students and staff will be taking part in the worship service in a variety of ways – special music, scripture reading, or children's story – while in some of the churches teachers will be presenting the sermon.

Your prayers and financial support are solicited as the new school year begins. May we work together to minister to DAA's youth and encourage them to accept Jesus as their best Friend.

## Minot Church Invites to Homecoming

The Minot Seventh-day Adventist Church is planning a homecoming weekend September 28 - 29, 2018 with world-class missionary Elder Conrad Vine, director of Adventist Frontier Missions. The invitation is to previous members and friends from around the Dakotas and surrounding states to "come home" for a special weekend visit and see what is happening at the Minot Adventist Church.

A light supper will be provided Friday evening at 6:30 followed by Praise and Worship from 7 - 8. Sabbath morning Elder Vine is scheduled to share Jesus at 11 a.m., with haystacks provided for fellowship lunch. An afternoon program at 1:30 will provide practical tips for mission in the local community, and an Q&A for AFM mission projects.

Pastor Conrad Vine is president of Adventist Frontier Missions. Prior to serving with AFM, Pastor Vine served in the pastoral ministry in the UK and Minnesota (USA), as a church administrator in the Middle East Union, and for many years with ADRA in central Asia and other regions worldwide.

WELCOME HOME!

## Prayer is a Ministry

Elder Mike Temple, pastor of the Grand Forks Adventist Church in Grand Forks, ND, and chaplain for the North Dakota Highway Patrol, was available to pray for Trista Curry while she was in the hospital after the loss of two of her three children in a "horrific" car accident in March. Curry was worried that her sons would not be allowed to go to heaven because they had not been baptized. Pastor Mike assured her that God was big enough to take care of the situation and that everything would work out for the best.

In memory of her sons, Curry started a toy drive in Fargo, where she lives, for children in challenging situations. She wanted to somehow find some joy in the midst of such great sorrow. Pastor Mike encouraged her to also do the toy drive in Grand Forks since the car accident happened there. The toy drive in Fargo finishes today (August 9) as her youngest son would have turned two today. It will continue in Grand Forks through the month of August.

Pastor Mike arranged for eight drop-off locations in Grand Forks and contacted the TV station for an interview for her. The toys will be distributed through the Salvation Army Family Services and CVIC - Community Violence Intervention Center. Pastor Mike has also made arrangements for her to receive counseling, which has not been provided through any other source.

You can view the television interview at the following link:

NOTE: There are picnic table benches for seating. However, you may wish to bring chairs. Paper products (plates, cups, plastic ware, napkins) will be provided. Hosted by Turtle Lake/Mandan district churches.

## Rapid City Church Provides a Food Pantry

The Dakota Conference Disaster Relief Coordinator, Phyllis Alexander, along with Robert and Ann Hanel, have updated a trifold brochure to hand out to those who come to the Rapid City Adventist Church food pantry. On the first page of the brochure is the Seventh-day Adventist Church logo and mission statement. Under that is a list of the five Adventist churches in the Black Hills area with additional information and photos inside about each church. Also inside is information about the Rapid City Adventist elementary school and fruit program. The Adventist Community Services mission statement and ministries are also included in the brochure.

Alexander tells of a gentleman who came to the pantry. The company he had worked for for 23 years had downsized and he was laid off. He was embarrassed to ask for food and offered to mow the church lawn as payment. He also came to church. Another lady in need had seven children and was taking care of a disabled daughter. Sometimes people call and Hanel delivers food to them.

There is a basket at the front and back doors of the church for people to donate canned foods, laundry items, and/or baby food to the pantry.

Alexander says, "Many times when I read Psalms 91 in the Bible it means so much to me. I go back and put my name into the places where there is a word I can replace with myself. The other day I was reading Psalms 91 and when I finished it I had a great burden to put my church's and my congregations' name in these places."

*The church family who dwells in the secret place of the Most High shall abide under the shadow of the Almighty. We will say of the Lord, "He is our refuge and our Fortress; Our God, in Him we will trust."*

*Surely He will deliver His family from the snare of the fowler and from the perilous pestilence. God will cover His family with His feathers, and*

*under His wings shall we take refuge. His truth shall be our shield and buckler. We shall not be afraid of the terror by night nor the arrow that flies by day, nor of the pestilence that waits in darkness, nor of the destruction that lays waste at noonday.*

*A thousand may fall at our side, and ten thousand at our right hand; but it shall not come near us. Only with our eyes shall we look, and see the reward of the wicked. Because we have made the Lord, who is our refuge, even the Most High, our dwelling place, no evil shall befall us, nor shall any plague come near our dwelling; For He shall give His angels charge over us, to keep us in all our ways. In their hands they shall bear us up, lest we dash our foot against a stone. We shall tread upon the lion and the cobra, the young lion and the serpent we shall trample underfoot.*

*"Because they have set their love upon Me, therefore I will deliver them; I will set them on high, because they have known My name. They shall call upon Me, and I will answer them: I will be with them in trouble; I will deliver them and honor them. With long life I will satisfy them, and show them My salvation."*

## **Jamestown Church Baptizes Inmates**

Tuesday, July 10, 2018, was a very special day for the Jamestown Seventh-day Adventist Church family. Three prison inmates; Lance, Matthew, and Frank committed their lives to Christ through baptism.

Since the James River Correctional Center has no baptistry, a makeshift tub was provided by the prison staff. The baptistry was an elongated tank about 6 or 7 feet long and about 3 feet wide with a plastic liner inside. It was set up in the barbershop of the prison, which is a very small room.

The Jamestown Adventist Prison Ministries team, which includes Dr. Wayne and Shirley McDaniel, Dr. Debra LaDuke, Dan Connell, and Terri Krovoza, was in attendance as well as church member Olga Rodin, and Lance's sister Laurie. Pastor James Venegas performed the baptisms.

After some opening words and a prayer by Dr. McDaniel, the group sang a number of well-known and uplifting hymns. This was followed by an encouraging message by Pastor James, on the apostle Paul's conversion experience. Then came the baptism of each inmate. Given the makeshift baptistry, each man had to sit in the water, knees up, and then Pr. James immersed them from outside the tub. The unique nature of the ceremony and venue made it a very moving experience. When the baptism had ended, the group gathered in a nearby classroom and waited for the three men to change into dry clothes. The group and inmates visited for a while before Pastor James offered closing remarks and words of "welcome to the church family". Each new member was then presented with a baptismal certificate and two gifts – an illustrated

hardcopy of the Desire of Ages and a Bible memorization set. The service concluded with a closing hymn and prayer of dedication offered by Dan Connell.

It was a very emotional time for all involved. Warm hugs of congratulations, and words of encouragement were exchanged as the group departed and group photos were taken. Once outside, the team shared a further prayer of thanksgiving and dedication for Lance, Matthew and Frank. All in all, there was a sense of satisfaction that God's will was done, Christ's name was glorified, and the Holy Spirit was poured out in great measure.
